Staffing

Club is run by a team of fully qualified staff, who undertake regular training to ensure constant professional development and improvement.

All staff have DBS (formally CRB) police check certificates.

Safeguarding, First Aid, Food Hygiene and Allergen training is also ensured for all our staff.

Club is registered and inspected by Ofsted who monitor our standards at regular intervals, alongside the school.

As children in Nursery School are still working within the Early Years Foundation Stage, they will be assigned a key carer who will be responsible for their wellbeing whilst at Club. This carer will monitor your child's development and enjoyment at Club, and will report to you, the Club manager and the class teacher should they have any concerns.

Registration

You can collect a registration form from the school office.
