

Fortnightly Friday Flyer

18th March 2016

Dear Parent,

What a packed week we've had. A residential, Karate taster sessions, Sports Relief Mile, STEM Club assembly and Science Week as well as the usual quality learning experiences in every classroom! Our Easter holidays this year are a little fragmented so please note these dates if you have not already done so;

Friday 25th March – Good Friday – children not in school

Monday 28th March – Easter Monday – children not in school

Friday 1st April – Break up for two week Easter holiday

Monday 18th April – children return to school

Please note – all school led clubs ended this week. We will be sending out new clubs information after the Easter break.

Scarlet Fever

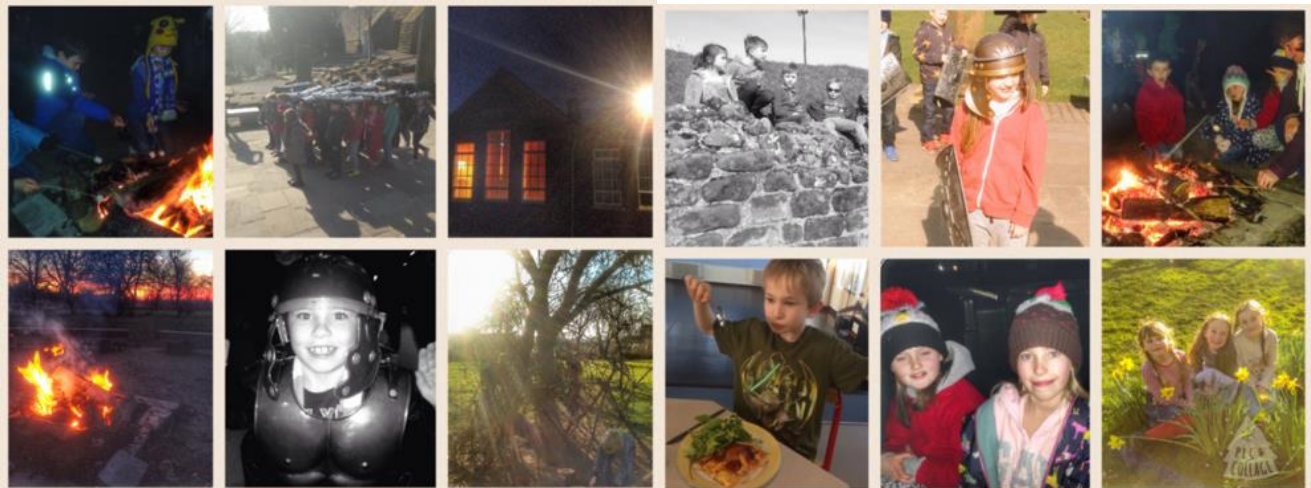

There have been a few more cases of possible Scarlet Fever reported to school. Please keep an eye out for symptoms as it is highly infectious. If you suspect that you child might have Scarlet Fever please visit the doctor so that early treatment with antibiotics can be given. If your child does have scarlet fever they can return to school 24 hours after starting antibiotics. More information on these pages;

<http://www.nhs.uk/Conditions/Scarlet-fever/Pages/Introduction.aspx>

Year 3 Visit to Tattenhall

Earlier this week Maple Class had a busy few days on their residential visit. They started by visiting Roman Chester and the Dewa Roman Experience linked to their MAP studies. They then went onto the Tattenhall Centre staying over for two nights. At the centre they enjoyed team building activities which included tree climbing and a zip wire. On their final day they dropped into Reasheath College where they were lucky enough see a lamb being born. Their behaviour and attitudes throughout the trip were outstanding. I am sure that you saw plenty of photos on twitter but here are some of the highlights;

Facebook/Twitter

Please do follow us on twitter @KelsallSchool – we have reached the 5000 tweets mark and many of you are sending us tweets! It's lovely to see 'a love for learning' being shared through this social media. We also have a Facebook page that is linked to our twitter account. Please Like and share with your family and friends.

'A Love for Learning'

Sports Relief Mile & the Marathon Mums!

It was a chilly morning but everyone was out in force to warm up with Mrs Doyle's beat box before embarking on 7 laps on the school field in support of Sport's Relief and our Marathon Mums who will be running the London Marathon in support of North West Cancer Research.

Thanks to your donations we raised £170!

If you would like to help our Marathon

Mums more you can do so here;

Praise Postcards

Thank you to all the parents and family members who attended our Praise Postcard assembly. The following pupils received their cards today for always being happy & smiley!;

Oak (Reception)- **Daniel Edwards & Taegan Baehr**

Beech (Year1)- **Maria Agrapinei**

Ash (Year 2) – **Ryan Currie & Jack Elson**

Maple (Year 3) – **Isabel Wordsworth**

Elm (Year 4) – **Luke Ankers & Ross Worthington**

Willow (Year 5) – **Ruby Elson & Adam Sherman**

Cedar (Year 6) – **Ben Stacey & Abigail Webb**

Well done to you all! Keep up your fantastic attitudes towards school and learning.

STEM Club

We had an assembly this week to introduce the children to a STEM Science, Technology, Engineering and Maths club we have organised. See the next page for more details.

Sports

What a great few weeks for sports! Last week saw our Y5/6 Athletics team representing school brilliantly at the Tarporley High Tournament. Some superb individual and team efforts. Special mentions to Harvey for an amazing distance in the chest throw!

'A Love for Learning'

Well done to our Y1/2 Cross Country Runners yesterday. A magnificent turn out and **Ieuan** came in first place!! Thanks to **Mr Thompson** for the great photos!

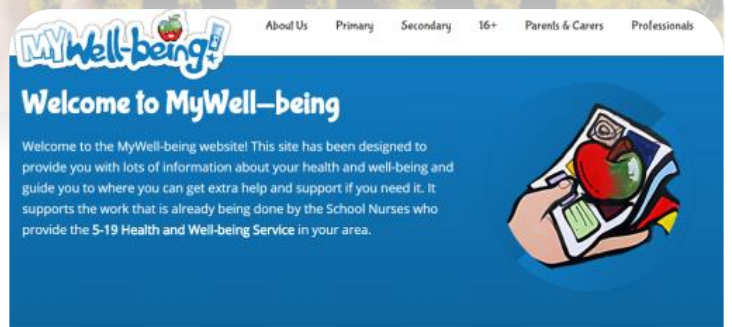

Finally

A really great website has been developed to support well-being and health. <http://www.mywell-being.org.uk/>

Have a great weekend!

Mr Wearing & The Kelsall Team

'A Love for Learning'

Science, Technology, Engineering and Maths sessions for schools

Young Engineers

After School Programme at Kelsall Primary School

Tuesday 19th April - Tuesday 24th May

Time: 3.15pm – 4.15pm Cost: £40 per child

Young Engineers consists of six practical, hands-on science, engineering and technology sessions where children design and make a range of products including:

- Balloon powered car
- Catapult
- Rollercoaster

To reserve a place for your child please register your details and pay online through our website:

www.stemkids.co.uk

We only accept online payments. Places are limited and will be allocated on a first come first served basis.

We may use photographs taken at our sessions on our promotional materials and website. Please inform us if you do not want us to use photos of your child as described.
